		<p>community member, business owner in the area and candidate for the School Board. She explained that she was present in support of friends that are concerned with their health care. She was concerned that commission members would lose their compassion and cause. She wanted to remind the Commissioners that one day they will be held accountable for the decisions made on this commission.</p> <p>Member of the public, David Cruz stated that he is a business owner in the community and resident of Ventura. At the last meeting he requested that the Commission take more time researching and appointing a CEO and thanked the Commission for rescheduling the appointment and giving the community an opportunity to be here. We want someone with the right skills for this job. He announced that there are people that are going to the County for services and people need to know that they can go to other facilities. Mr. Cruz requested that Information needs to be out in Spanish as well as English.</p> <p>Member of the public Jim Hensley expressed his appreciation that there is openness on the topic of CEO. He understood that the meetings were closed when there were 30 plus applicants, but when it's down to 3-4 it should be open. We need for it to be open to the public and even in Spanish as this is a \$300,000,000 enterprise. It is extremely important who is selected, but also that the process is open.</p> <p>Commission Chair Powers thanked the individuals for coming forward and addressing the Commission. He reminded those present that this committee is comprised of individuals that have passion.</p> <p>Interim CEO Stanley added that there was a letter included in the packet from Mr. Cruz (Attachment 4).</p> <p>Commissioner Long expressed her appreciation for the comments. The people on this commission are folks that serve this population. Our goal is to have first choice quality care.</p>
