Re: **Ventura County Public Health: CME Event on Marijuana & Pregnancy**

Date: November 12, 2015

Gold Coast Health Plan (GCHP) cares about the health of its members. Tuesday, November 17, Ventura County Public Health and the Ventura County Perinatal Substance Use Task Force will host a presentation entitled *Marijuana and Pregnancy: How Do We Know the Science is Real?*

The event's featured speaker is James J. Nocon, MD, JD, associate professor of clinical obstetrics and gynecology, division of general obstetrics and gynecology, Indiana University.

[Click here](#) to access the flyer. Attendees must RSVP.

The event is free, includes dinner and one hour of CME credit.
